- Animals on School Grounds
- Warm/Cold Weather Apparel
- School Supply List

SECTION 1: GENERAL INFORMATION

Dear Kennedy Parents/Guardians,

Welcome, my name is Jennifer Fanning and I am honored to be your principal of Kennedy Elementary School. This is my 23rd year in education. I have taught in the School District of Janesville for 17 years as a 4th grade teacher, a Talented and Gifted Resource teacher, a third grade teacher, and 5 years as a principal in the School District of Beloit. I look forward to partnering with our families to encourage all students to thrive at school, at home, and in their community.

The Kennedy staff looks forward to our continued positive relationship with you and your child. As our school enters its 19th year, we are proud of this positive relationship between our families and our school. It is our ongoing goal to work successfully with each of your children to make this year a successful and positive experience for all of our students and families. Research is clear that parents and guardians staying involved in their child's education has a positive impact on their child's success in school.

This Parent Handbook is compiled in an effort to inform you about policies, procedures, schedules, and programs in our school as well as the district. The purpose is to help you understand the structures and routines of Kennedy School. Please read through this handbook and keep it handy as a reference as needed in order to understand questions as they arise. Please feel free to contact Kennedy when you have a question regarding your child or the school. In addition to this handbook, Kennedy will provide you with newsletters and calendars throughout the year that will keep you current about what is happening at your school. You can also count on newsletters, notes, and e-mails from your child's teacher to help keep you informed.

One of the unique things about Kennedy is that our students "loop" with their teachers from first to second grade and from third to fourth grade. Looping helps promote closer parent and student relationships because in the second year of the loop the teacher will have already worked with your child for a year at Kennedy. They will better know your child's strengths and how to promote their success. The first parent-teacher conferences will be held on October 25th and 26th. Looping parents will be able to renew their acquaintances with the teacher and first year parents will have the opportunity to begin building a relationship with the teacher by mutually sharing information. Kennedy has always enjoyed high parent/guardian turnout for conferences and we are looking forward to meeting with you at our conferences in October.

Kennedy has a very warm staff and is a very inviting school. The staff is proud of our students, families and our school. We are committed to the success of each child through collaboration and partnerships with each family. Welcome to the 2017-2018 school year at Kennedy Elementary School!!

Sincerely,

Mrs. Jennifer Fanning
Principal

**KENNEDY ELEMENTARY SCHOOL
PARENT TEACHER ORGANIZATION
2017-2018**

September

- 5th – First day of school for Kennedy students
- 12th - PTO Meeting 3:15-4:15 in the LMC. Kennedy families are welcome and encouraged to attend.
- 15th- School Picture Day & Rock The Count Day!
- 15th –Run/Walk Fundraiser Kick Off
- 29th - Annual Rocket Run/Walk Fundraiser

October

- 10th - PTO Meeting 3:15-4:15 in the LMC. Kennedy families are welcome and encouraged to attend.
- 11th - 1st Box Top Collection. Please have all box tops sent to school with your student for submission.

- 25th - No school for Kennedy students (Snow Reserve Day)
- 28th –No school Memorial Day

June

- 4th – Final Box Tops Collection

Welcome to Kennedy School!

“KENNEDY MUST HAVES”

DID YOU KNOW...?

- School begins at 8:15 a.m. and ends at 3:08 p.m.
- Breakfast Club begins at 7:45 a.m. Students should enter the building in the back at Door #9.
- **Students should not arrive at school before 8:05 a.m.** unless they are attending Breakfast Club, are enrolled in the YWCA Before & After School Care program, or attending a school sponsored activity. We do not have adult supervision for students before 8:05 a.m.
- **Before school all students should line-up on their playground.** Student should not be entering the building through the main front doors. Teachers will bring the students into the building when the bell rings. When it is raining or below 0°, teachers will bring the students into the building through their playground doors. Students will then wait in their designated indoor recess areas.
- **After school all Grade 1-5** students should leave the building through their playground doors. **Kindergarten** students are dismissed out the back door #9 to a parent or designate person.
- **Students must be off the school grounds by 3:20 p.m.** unless under the direct supervision of a staff member or parent/guardian. Unsupervised students who have not been picked up by 3:20 will be asked to leave and/or brought to the office to make a phone call home for a ride. If students want to play on the playground after school and their parents are not here, they must leave school grounds and go home first. It is then up to their parent/guardian if they can return to play after school hours without school/parent supervision.
- **The front/back circle drives are STOP-DROP-GO only. Do not leave your vehicle.** If you need to leave your vehicle you must park in a stall in either the front or back parking lots or on the street.
- **District policy** requires **all** visitors to check in at the school office and wear a **Visitor’s badge**.
- **Per district procedure, a parent must come in to the office** to sign out students leaving school before 3:08 p.m. If students are picked up early, this results in a tardy and counts against their attendance.
- **Report a student’s absence by calling 743-7565.** Leave a message with the child’s name, teacher, and the reason for the absence (i.e. – illness, appointment, funeral, etc.)
- **No pets/animals are allowed on the school grounds (unless certified service animal)** per city ordinance as well as for health and safety concerns.
- **If you change your phone number** please notify the school office and make the change in your Infinite Campus account as soon as possible. If you are unable to make the change, please contact the school office for assistance.
- **If you change your address** please notify the school office as soon as possible so the proper paperwork can be filed out to allow your child to remain at Kennedy or to assist you with a transfer.
- **Questions about your child’s social/emotional issues?** Call Mrs. Bembinster at 743-7548.
- **Questions about your child’s lunch account?** Call Mrs. Wopat at 743-7514.
- If you would like to meet with your child’s homeroom teacher before or after school, please call the classroom teacher in advance to schedule a time.
- If you would like to volunteer at Kennedy, please stop in the office for a volunteer application. All volunteers must be approved at the district level.
- Please check the Kennedy webpage for important information and updates throughout the year which includes but is not limited to our bi-monthly parent newsletter, our building calendar which shows activities, fieldtrips, Scoopie Nights, etc., links to educational websites for grades K-5, parent surveys and PTO information.
- Contact our **FRC Coordinator**, Mrs. Engstrom, at 743-7511 for more information about what our Family Resource Center has to offer and for hours it will be available to families and students.
- As always, please feel free to contact the school office at 743-7506 with any questions or concerns.

KENNEDY SCHOOL MISSION

Enter with Hope and Aspiration
Learn with Dignity and Enthusiasm
Leave with Pride in Self and Community

Our Commitments...

Respect for self and others
Opportunities for Personal Growth
Character Development
Knowledge for Living
Expectations for Achievement
Teamwork
Success

KENNEDY ELEMENTARY SCHOOL PHILOSOPHY

Our philosophy at Kennedy School centers on meeting the needs of each child. The structure of the building represents neighborhoods within a community setting. Since every student brings to us uniqueness and diversity in cultural, social, emotional and educational backgrounds, instruction is designed to meet the needs of students at different developmental stages. Kennedy School is committed to academic excellence through a learning environment that provides differentiation. Students develop academic and social competencies that are the foundation of life-long learning and citizenship. Opportunities for creative expression in the visual and performing arts, critical thinking, problem solving and technological applications are provided. We believe it is vital to involve family and community in the educational process to meet the needs of all children. Kennedy School is committed to all children entering our school with enthusiasm for learning and leaving each day with pride in themselves, their school and community.

School Mascot: Rockets
School Colors: Navy Blue, Red & Silver

SCHOOL DISTRICT STUDENT CONDUCT CODE

The School District of Janesville has developed and implemented the Student Conduct Code. Constructed by a community-wide committee, this code defines types of misconduct and their consequences. The Student Conduct Code booklet is sent home to every family and explained to all students. Please take the time to review this code with your child.

KENNEDY ELEMENTARY SCHOOL CODE OF CONDUCT

PHILOSOPHY

Students and staff deserve a safe, friendly, and positive school environment which is conducive to academic achievement and honorable citizenship. A total commitment made by students and staff is essential in managing student behavior. Components of a successful program include:

- Clearly defined and communicated rules and expectations.
- Clearly stated procedures and consequences for correcting inappropriate behavior.
- An instructional component for teaching students self-control and/or social skill strategies.
- A support plan to address the needs of students with chronic, challenging behaviors.
- A process to communicate appropriate and inappropriate behavior to parents.
- A method of rewarding positive behaviors.

KENNEDY ELEMENTARY SCHOOL SCHOOL-WIDE BUILDING RULES

- Follow directions.
- Respect the rights, feelings, and property of others.
- Have materials ready when class begins.
- Talk at appropriate times.
- Keep hands, feet, and objects to yourself.

LUNCHROOM RULES

- Walk at all times.
- Sit in your seat.
- Do not trade food.
- Throwing of any item is prohibited.
- Clean up after yourself.
- Soda is not allowed.
- Please, do not bring red or purple drinks.

PLAYGROUND RULES

Playground equipment must be used for the purpose it was intended.

1. The following areas are “off limits” for play purposes at all times:
 - Parking lot.
 - All areas in the front of the building.
 - Bicycles and racks.
 - Any areas off school property, including the Greenbelt.
2. No snowball throwing, or sliding on the ice.
3. Coats must be worn unless recess supervisor says otherwise.
4. K-2 students must wear snowpants and boots in order to play in the snow.
3-5 students must wear boots. If they have wet pants they will not be able to phone home.
5. Keep hands and feet to yourself. No tackle football – touch only.
6. Skateboards are not allowed.
7. Students riding bikes should walk them while on school grounds.

HALLWAYS

Keep noise to a minimum.
Walk at all times.
Walk on the right side of the hallway.

CONSEQUENCES

1st Offense: Verbal warning.
2nd Offense: Time out and note sent home.
3rd Offense: Phone call home.
4th Offense: Sent to the office and possible
“Disciplinary Referral”.

*Severe infraction: Immediate time out and/or notification to the principal.
A “Disciplinary Referral” may be filled out by the teacher,
Supervisor, and/or principal.

*Repeated violation of school rules may result in a “Disciplinary Referral” or placement
on a behavior plan.

POSITIVE REINFORCEMENT

Each neighborhood and special area will develop its own means of recognizing students for appropriate
behavior.

PUBLIC NOTIFICATION OF STUDENT NONDISCRIMINATION POLICY

It is the policy of the School District of Janesville that no person be denied admission to any public school in the District or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil service, recreational or other program or activity because of the person's sex, race, color, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, gender identity or physical, mental, emotional or learning disability or handicap as required by state and federal laws.

Children of homeless individuals and unaccompanied homeless youth (youth not in the physical custody of a parent/guardian) residing in the District shall have equal access to the same free, appropriate public education, including comparable services, as provided to other children and youth who reside in the District. Homeless children and youth shall not be required to attend a separate school or program for homeless children and shall not be stigmatized by school personnel.

The District shall provide appropriate educational services or programs for students who have been identified as having a disability, regardless of the nature or severity of the disability. The District shall also provide for the reasonable accommodation of a student's sincerely held religious beliefs with regard to examinations and other academic requirements. Requests for religious accommodations shall be made in writing and approved by the building principal.

The District encourages informal resolution of complaints under this policy. A formal complaint resolution procedure is available, however, to address allegations of violations of the District's nondiscrimination policy.

Any questions concerning this policy should be directed to:

Kennedy Elementary Anti-Bully Policy

Respect Is Required

Everyone at Kennedy Elementary School is committed to making our school a safe and caring place for all students. We will treat each other with respect, and we will refuse to tolerate bullying in any form at our school.

Our school defines *bullying* as follows:

Bullying is unfair and one-sided. It happens when someone KEEPS hurting, frightening, threatening, or leaving someone out on purpose.**

Examples of bullying include:

- Hurting someone physically by hitting, kicking, tripping, pushing, and so on.
- Stealing or damaging another person's things.
- Ganging up on someone.
- Teasing someone in a hurtful way.
- Using put-downs, such as insulting someone's race or making fun of someone for being a boy or a girl.
- Touching or showing private body parts.
- Spreading rumors about someone.
- Leaving someone out on purpose or trying to get other kids not to play with someone.

****Depending on severity, behaviors must be repeated to qualify as bullying.**

Staff at our school will do the following things to prevent bullying and help children feel safe at school:

- Closely supervise students in all areas of the school and playground.
- Watch for signs of bullying and stop it when it happens.
- Teach bully prevention curriculum in grades K-5.
- Respond quickly and sensitively to bullying reports using the *Steps to Respect* Four-A Response model and coaching models.
- Take seriously parents' concerns about bullying.
- Look into all reported bullying incidents.
- Assign consequences for bullying based on the school discipline code.
- Provide immediate consequences for retaliation against students who report bullying.
- Provide the option to the person being bullied to confront the person doing the bullying if he/she wishes to do so.

Students at our school will do the following things to prevent bullying:

- Treat each other respectfully at all times.
- Refuse to bully others.
- Refuse to let others be bullied.
- Refuse to watch, laugh, or join in when someone is being bullied.
- Try to include everyone in play, especially those who are often left out.
- Report bullying to an adult.
- Understand that bullying behaviors carry negative consequences and that retaliation will not be tolerated.

Kennedy Elementary School

Consequences of Harassment or Bullying Behaviors

All assigned consequences will fall within the guidelines of the Elementary Student Conduct Code as determined by the School District of Janesville.

Kennedy Staff members have the authority to place any individual at any step of consequence as determined by the severity of the behavior.

First Step: Conference with student to include behavior coaching
Verbal warning
Parent notification (of both the person *doing* the bullying and *being* bullied)

Second Step: Disciplinary Referral with principal involvement
Selection of an appropriate consequence from the menu below
Conference with student to include behavior coaching
Parent notification (of both the person *doing* the bullying and *being* bullied)

Third Step: Networking meeting with a Functional Behavior Assessment
Disciplinary Referral with principal involvement
Selection of an appropriate consequence from the menu below
Conference with student to include behavior coaching
Parent notification (of both the person *doing* the bullying and *being* bullied)

Fourth Step: Reconvene networking team
Disciplinary Referral with principal involvement
Selection of an appropriate consequence from the menu below
Conference with student to include behavior coaching
Parent notification (of both the person *doing* the bullying and *being* bullied)

Further steps will follow the same protocol as the fourth step with consequences increasing in severity.

Menu of Consequences

- loss of recess
- time spent in office
- student writes a letter to parents
- time spent at school during workdays
- chores in the school building
- lunch in the office/at a table alone
- recess in the office
- police referral
- probation referral
- in-school suspension
- out-of-school suspension
- pre-expulsion
- MAXIMUM CONSEQUENCE:
recommendation for expulsion

Any **retaliation** made as a result of a report will result in an **automatic ½ day in-school suspension**.
(This consequence will take place if the retaliation occurs on or off school grounds.)

All assigned consequences will be kept confidential. Only the student involved, his/her parents or guardians, and appropriate staff members will be made aware of the outcomes.

The Kennedy Elementary Behavior Management System:

PBIS in a Nutshell

The Kennedy Elementary Behavior Management System:

PBIS in a Nutshell

What is PBIS?

What is PBIS? It stands for Positive Behavior Interventions and Supports. The goal of the system is to teach students what the expectations are for their behaviors throughout the school day and in all school settings.

- All students will participate in “Behavior Stations!” There are six stations that classes will visit including hallways, cubbies/lockers, lunchroom, bathrooms, arrival/dismissal, and playground. Many staff members will participate in showing the kids what NOT to do, teaching the students the expectations, and facilitating student practice of those expectations. Classroom teachers will also train their students in other areas of the building and the play-ground. Each special area teacher trains for his/her own classroom.
- Every classroom at Kennedy is continuing to use the “colors” behavior management system to help students monitor their own choices through-out the day. Students have “clips” that are moved up and down per adult direction throughout the day. Movement is based on individual student behavior choices. Families should be asking students, “What color was your day?” Communication will be sent home when students are making exceptional choices, as well as when they are needing those extra reminders.
- Students are being acknowledged for “the good stuff” as often as possible. When any staff member sees a student following the Kennedy rules of be safe, be respectful, and be responsible, he/she MAY give the student a Red Rocket Ticket. (Researchers call this “intermittent reinforcement” and it has been shown as an effective way to teach behaviors!) Those tickets are going into a collection spot and there are regular opportunities for students to spend them at the school store (Space Station). The students love it....and the staff enjoys giving all of the positive messages. Classes can earn “rocket boosters” when they are making good choices as a collective group; when the class earns 10 “boosters” they are eligible for a class-determined reward.
- Students will continue to receive monthly Character Awards at Kennedy. Teachers will select those students who are acting as examples of our three expectations: be safe, be respectful, and be responsible. Students will receive school-wide recognition and an award.

If families have any questions about the PBIS system, please speak with your child’s teacher or you can call Mrs. Bembinster at 743-7548. We are always looking for positive ideas and prize donations. Thank you for all that you do to support Kennedy School and your child’s learning.

Be Safe
Be Respectful
Be Responsible

SECTION 2: SCHOOL POLICIES & PROCEDURES

Attendance Procedures

Regular attendance is a responsibility that should be shared by parents, students and the school. Students may be excused for up to ten days per school year by a parent /guardian. Please remember that other than the ten parent excused absences a student can have each year, the only authorized reasons for student absence under state law is medical, death in the immediate family, funeral of a close relative, religious holiday, court appearance, school ordered suspension, or waiver from the principal. All other absences are considered as unauthorized and will be coded as unexcused. It is very important to turn in a note any time your child is seen by a health care practitioner, dentist, eye doctor or counselor as then these absences can be medically excused. The school will determine daily which students enrolled in school are absent and whether the absence is excused in accordance with board policy. Students who are tardy to school should report to the office upon arrival to make sure they are accounted for and marked properly in our records.

The Kennedy office is open each day from 7:30 – 4:00. Please call the attendance line at 743-7565 to report your child's absence as soon as possible. If the absence is planned, please notify the school in writing 24 hours in advance. Students who need to leave school during the day should bring a note from home stating the time of dismissal and reason for leaving. A passport will be issued and should be returned to the office with the signature or stamp of the health care provider as soon as the student returns to school.

Daily Schedule

The instructional day for children in grades K-5 is from 8:15 a.m. – 3:08 p.m. with a lunch and recess between morning and afternoon sessions. **Students who wish to attend Breakfast Club may enter the building at 7:45 a.m. through Door # 9 in the back of the building.** Morning supervision on the playground begins at 8:05 a.m.; therefore, unless your child is attending breakfast club, they should not be dropped off until 8:05 a.m. Students should not enter the building until 8:15 a.m., unless there is inclement weather or other special arrangements have been made with the teacher. **Before School all students should line-up on their playground.** Students are to leave school grounds by 3:20, unless other special arrangements have been made with the teacher. **After School all Grade 1-5 students should leave the building through their playground doors.** Kindergarten students are dismissed out the back door #9 to a parent or designated person. The daily schedule is as follows:

7:45 a.m.	Breakfast Club students enter building
8:05 a.m.	Playground Supervision Begins
8:15 a.m.	First Bell – Students Enter the Building
8:20 a.m.	Second Bell – Class Begins
3:08 p.m.	Dismissal

Kindergarten

Morning recess	10:00 – 10:15 a.m.
Lunch period	11:10 – 11:40 a.m.

1st Grade

Lunch period	11:20 – 11:50 a.m.
Afternoon recess	1:30 – 1:45 p.m.

2nd Grade

Lunch period	11:30 – 12:00 p.m.
Afternoon recess	1:30 – 1:45 p.m.

3rd Grade

Lunch period	11:45 – 12:15 p.m.
Afternoon recess	2:00 – 2:15 p.m.

4th Grade

Lunch period	11:55 – 12:25 p.m.
Afternoon recess	2:00 – 2:15 p.m.

5th Grade

Lunch period	12:05 – 12:35 p.m.
Afternoon recess	2:00 – 2:15 p.m.

Keeping Information Updated

Please keep the school office informed of changes of address, phone numbers, and emergency information that occur during the school year. It is extremely important that we are able to contact parents in the event of illness or other emergencies. All families should be sure to update information directly through the Infinite Campus Parent Portal system as it changes. If you do make a change, please notify the school to inform them that a change was made. If you do not have computer access, please contact the school to assist. Please check your information periodically. The following can be updated on line through Infinite Campus:

- Household Information – phone numbers, as well as preferences on how you prefer to be contacted (Phone Call, Text Message, or E-mail).
- Parent Information – phone numbers, email addresses

The following updates must be made in person:

- Address Changes - Proof of residency is required for an address change. This must be brought to the school office (during the school year), or to the New Student Enrollment Office at the Educational Services Center (during the summer when school is not in session). It is a requirement that you prove who you are and where you live. Please provide a driver's license/picture ID, Proof of Residency (One of the following: Address change form that the US Post Office sends to your new address, current bill with address and date, or a lease agreement with date and address on it. Closing paperwork from purchase of new home with address and purchase date.) The proof of residency must be linked to your new address with the past month. **It is always important to update your address as soon as possible.**

Emergency Drills

Fire drills are held at least once a month. Shelter drills for severe circumstances, such as tornadoes and other serious events are held in the fall and spring. Lockdown drills are practiced regularly.

Field Trips

Each year our students take at least one field trip. These trips are carefully planned. They are conducted to enrich our instructional program and to take advantage of opportunities not available at our school. Parent permission must be given before students can participate in field trips. Parents who agree to assist with field trips are expected to help supervise groups of children and may not bring other children along on the trip. **IMPORTANT: Field trip fees are now assigned in Infinite Campus and are paid at the beginning of the school year. Please be aware that some field trips require non-refundable pre-paid ticket purchases. In the event a child is unable to attend an event which requires a pre-payment commitment, we will not be able to give a refund.**

Field Trip Chaperone Guidelines

1. If you find out that you cannot be a chaperone, then contact the teacher immediately so other arrangements can be made.
2. Remember that you are setting an example for the children, so please be respectful and enforce school rules.
3. Make sure you know the time and place for meeting at Kennedy School.
4. If in doubt about anything regarding your duties, responsibilities, or student concerns, talk to the classroom teacher immediately.
5. Treat all students equally. Giving any one student, including your own child, special privileges can cause hurt feelings.
6. Don't bring or buy treats, or purchase souvenirs for any students, including your own.

7. Know exactly which students you are responsible for on the trip. Pay close attention to your group at all times. Communicate expectations to the students clearly and specifically using language appropriate to the age group you are chaperoning.
8. Parents who drive to the location on their own cannot be chaperones unless unusual circumstances arise. (i.e. – it creates the need for an additional bus).
9. Decide on a meeting place if someone gets separated from your group.
10. Smoking at a school activity is prohibited by law.
11. Due to liability concerns, please do not bring other children with you when you volunteer to chaperone a school trip.
12. Because this is a school sponsored trip, all students must stay with their assigned group and chaperone.
13. Speak to children in a calm manner at all times, including times when you may need to give a student directions about their behavior. Clearly state what you want a student to do. (“Stand beside me, please.” “Take your hands away from the painting, please.” “Please don’t speak when the tour guide is speaking.”) Redirecting children using clear and calm directions makes your day and the students’ day a much more pleasant experience. Never hit, yank, pull, or threaten children with physical force. In the rare instance that a child’s behavior is seriously out of control, send two other students together for teacher assistance. Stay with the child and speak in a non-confrontational manner until help arrives.
14. If a child becomes ill, is missing, or if an emergency arises, notify the classroom teacher immediately. Tour guides can help you supervise in an emergency.

School District Wellness Policy

Healthy eating and wellness have a huge impact on students’ ability to learn and stay focused throughout their school day. The School District of Janesville recently updated its Wellness Policy (#5470) to promote wellness for students and comply with federal Child Nutrition guidelines. The entire policy is available on the SDJ web site, but here are some important aspects of the policy for families to know:

- Parents attending lunch with their child can bring in food for their child but cannot bring food in for a larger group or other students.
- To minimize the risk for potential food borne illness, schools are encouraged to have all food items that are served to students as snacks or treats during the school day be commercially prepared and commercially packaged. Homemade food items are discouraged.
- Parents bringing classroom treats will be encouraged to provide food/beverage items that meet the district nutrition guidelines:

Healthy Snack Suggestions

Fruit – Any type (1/2 cup = 1 serving)

- Frozen or dried fruit with no added sugar
- Applesauce (unsweetened varieties)
- Canned Fruit (light syrup only)

Vegetables – Any type (1/2 cup = 1 serving). Can be served with low-fat dip.

Grains

- Baked Chips/Pretzels/Crackers/Granola/Cereal/Breakfast Bars/Popcorn/Breakfast cereal boxes
(All meeting nutrition guidelines)

Dairy

- Yogurt (Low-fat or fat free)
- Low-fat cheese

Automatic External Defibrillators (AED's)

The School District of Janesville has automatic external defibrillators (AED's) in the school district. Eighteen AED's have been placed in all schools in the district and one at the Educational Services Center.

An AED is a device that delivers an electric shock to the heart. For a person who has just experienced a sudden cardiac arrest, the electrical shock from an AED may help save the person's life. Data show that the chances of surviving a sudden cardiac arrest are greatly improved if an electrical shock can be applied within five minutes of the person losing consciousness.

Persons on the emergency response team in each school have received CPR and AED training through the American Red Cross. These responders will bring the AED to emergency calls in the building. At each school building inservice day, before the start of the 2016-2017 school year, all staff will receive information on the location of each AED in the building, how to call for an emergency response, and see a demonstration on how easy and safe the AED is to use.

Illness/Injury Emergency Care

The safety and welfare of your children is of great importance to both parents and the school. If a child should become ill or injured while under school supervision, the following steps outlined in the school district

Emergency Nursing Handbook will be taken:

- A. If a child has a minor accident, the following action will be taken:
 1. First Aid will be administered according to school approved procedures.
 2. The child will be returned to class if he/she is all right.

- B. If a child is unable to return to class because of illness or minor injury, the following steps will be taken:
 1. Parents will be contacted, and when arrangements have been made with parents, their child will be allowed to leave the school premises.
 2. If parents are not available, the emergency contact number recorded on the student information card will be called.
 3. Once contacted, parents or the emergency contact will have the responsibility for providing transportation for their child to leave school in a timely manner.
 4. If we are unable to reach parents or the emergency contact, the child will be kept in school and continued attempts will be made to reach parents or the emergency contact.

- C. If a child is in need of immediate medical attention, the following steps will be taken:
 1. First Aid will be rendered immediately according to school-approved procedures.
 2. Parents will be called. If they cannot be reached, the emergency contact will be called.
 3. When necessary if parents or their designated emergency contact cannot be reached, the child will be taken to the emergency room at either St. Mary's or Mercy Hospital.

We need parental cooperation in putting this plan in effect for each child. Please ensure that the emergency contact information on the child's student information card is accurate by keeping the school office informed of any changes of information on the card. Failure to provide the school with emergency contact information or with any other necessary up-to-date information will give the school district authority to provide emergency care as needed according to school approved procedures.

Library Materials Center (LMC)

Functions and Activities:

The L.M.C. at Kennedy School is designed to support the curriculum and promote effective use of media in our school. It combines print, audio-visual resources, and instructional technology to meet the needs of students and teachers.

The structure of the L.M.C. is exciting and unique. It is designed to truly be the heart of our school. The L.M.C. program is a cooperative venture in which the media specialist, principal, teachers, and an instructional aide work together to meet the needs of each student.

L.M.C. activities include book check-out, reference and research work, work at computer stations, listening and viewing stations, and other activities using a variety of audio-visual learning devices.

Overdue and Lost Books:

Books are checked out to students for a two-week period. We recommend that students limit the number of books they check out to two or three at a time. We do not charge a fine for overdue books, but there will be a charge for a lost book. After a book has been overdue for two months, it is considered lost. It is our policy to charge the student for the replacement cost of a lost book.

Damaged Books:

Please send any books to the L.M.C. to be mended if they are accidentally damaged. The L.M.C. has special mending materials for this purpose. If the book is damaged beyond repair, the student will be charged for the replacement cost of the book.

Parents Can Help With the Following:

Parents should set good examples for their children. This is done by being a reader yourself and for your children. They need to see parents reading. Read together and discuss the reading informally to realize its value to life. Also, help the children find a place where they can safely keep their books at home. Give a child a plastic bag so the book(s) can safely travel between home and school.

Student Pick-Up/Drop Off Information

Drivers can access our inner drive for dropping off or picking up students. Drivers can also choose to drop off or pick up their children along Randolph Road or Stonefield Drive. We do ask all drivers to observe the following guidelines.

General:

1. Do Car Pool – this will help reduce the quantity of cars in the front and rear of the School.
2. Do teach your children to cross the street only at the crosswalk.
3. Do drive carefully when approaching a crosswalk. If the crosswalk has safety patrols, they cannot go into the street to direct traffic.
4. Do observe the one-way signs when entering and exiting the two parking lots.
5. Do not park in the crosswalk at any time.
6. Do not double park or pick-up a child in the passing lane of the driveway.
7. Do remember to Stop-Drop/Pick-up/Go.
8. Do not park in the drive and leave your vehicle. Use the parking stalls or park in the street.

Dropping Off Children:

1. Do drop off all children in a car at one spot rather than two or three different ones.
2. Do keep the flow of traffic moving by pulling up as far as you can to drop off students.
3. Do not park between the bus/van signs. These are for handicapped students.

4. Do not drop students off at the curb, not in the middle of the street.
5. Do not double park.

The front/back circle drives are STOP/DROP/GO ONLY. Do not leave your vehicle. If you need to leave your vehicle you must park in a stall in either the front or back parking lots or on the street.

Telephone Use

Before sending your child off to school, please discuss arrangements for after school. This will eliminate the need to call school and avoid disrupting the classroom. It will also eliminate confusion on the child's part as to what he/she should do at dismissal time.

Student Use of Cell Phones & Electronic Devices

Possession of cellular phones is permitted on school premises. Cell phones must be powered off and placed in the student's backpack during normal school hours unless authorized for instructional purposes by the teacher or principal. Cell phones are the sole responsibility of the student and his/her family. Missing, stolen, or broken cell phones are the responsibility of the owner. Any student found violating this policy shall surrender the device and be subject to disciplinary action.

Other electronic devices are not allowed on school grounds unless authorized by the teacher or principal.

Withdrawal of Students From School

It is very important that you notify the school office several days prior to moving to indicate the child's last day of attendance. Please make sure all textbooks, library and family resource materials have been returned to school.

Safety & Visitors

Nothing is more important than the safety of our students while they are in our care and this is something all Kennedy and district staff takes very seriously. This is why we have many safety measures in place, and they have been in practice for many years. All building entrances are locked during the school day. All visitors are greeted at the door and asked the purpose of their visit before they are buzzed in, and instructed to sign in and receive a visitor badge in the office. If building staff see someone without a visitor badge, we escort them to the office. We also have lockdown procedures for both a threat within the building and outside the building that are practiced regularly. As a district we reflected on the various safety procedures already in place, asking ourselves, what more we could be doing to ensure the safety of our students? One added measure the Superintendent has implemented is that we now have a police radio for the office, which will reduce the response time from the Janesville Police Department in the event of an emergency.

The administration encourages school visits by parents, community members and other persons or groups who have a direct relationship to the educational program. There may be situations, however, where visits may not be appropriate as determined by the principal. Such situations may include, but are not limited to, when students are involved in special activities or standardized tests, or visits during the first and last weeks of school and immediately preceding holidays. The administration will work with visitors to find the most appropriate means to address visitor concerns.

Recognizing the protection and safety of students is paramount, parents, community members and other interested visitors are requested to:

- Sign a log book in the front office as soon as they arrive. Sign out when leaving the building and remove visitor badge. New badges must be issued at each school upon arrival.

- Wear a visitor badge with date and name of school during the visit.
- Dress and groom in a manner which is not disruptive to the school setting.
- Contact the principal/designee in advance to seek approval to schedule a classroom visit. Children and students from other schools shall not be permitted to visit classes while they are in session unless approved by the principal.

Special school programs will not require signing in and wearing of a visitor badge. The teacher will continue to provide regular classroom instruction during a classroom visit. Parents wishing to question or converse with the teacher should arrange a meeting outside of class time so the normal progress of classroom instruction is not disrupted.

The principal may place restrictions on any visit by limiting the frequency, duration and manner of the visits. These restrictions may be established to prevent the school environment from being disrupted.

(From AR 1240.1)

Co-Teaching

Many teaching strategies are used to best meet the needs of students. No one strategy can meet everyone's needs. In some cases, the co-teaching option is employed. This strategy is used when a special educator team teaches with a regular education teacher. This arrangement is shared by both staff members. The teachers work cooperatively to identify critical concepts to be taught, strategies to employ in the delivery of instruction, and methods to evaluate student outcomes. At the beginning of the school year, parents are notified if their child is being taught in a classroom where co-teaching is taking place.

Vacations

If a student is going to take a vacation when school is in session, the parent should contact the building principal so he/she can give approval. The student should also bring a note to the office so that a passport may be issued.

Absences from school present a problem for both parents, students, and teachers. Nothing can replace or duplicate the regular classroom programs. The basic programs, reading, math, and science, are designed to be taught in the classroom under teacher supervision. Many activities, such as physical education, music, art, multi-media, and special programs, will be missed altogether. Therefore, we must accept the fact that unnecessary absences from school result in some loss of benefits to the students.

On the other hand, trips can be educational experiences that can provide enriching, learning opportunities. In addition, a well-earned vacation gives some families the opportunity to be together and relate to each other. We realize that it is sometimes difficult for parents to arrange their vacations to coincide with school time off.

If it is necessary that a child miss school due to an extended vacation, it is our feeling that the teaching staff cannot be expected to provide sufficient advance homework or to spend extra time with the student when he/she returns. Teachers may send work home with the student in advance if it is felt the student will be able to complete the work without teacher instruction or supervision. Much of the work may be of review or reinforcement nature.

Parent Request for Make-up Work for Student Absences:

We urge all parents to carefully consider any reasons for a student's absence from school other than for illness or emergency. If a parent should request homework, he/she should call at least one day in advance so the teacher may gather the work thought appropriate to assign in advance.

While on vacation, parents may choose to carry out many special activities that would be of benefit to the student. Below is a list of suggested activities you may wish to consider:

- A. Daily mileage computation
- B. Map study
- C. Prepare a special report about a highlight of a trip. (Grand Canyon, historic site, museum, etc.)
- D. List of town and cities visited. Arrange in alphabetical order and spell correctly.
- E. Keep a daily diary.
- F. Make a scrapbook.
- G. Collect souvenirs, tourist literature, pictures, etc.
- H. Encourage your child to interview someone.
- I. Keep ledger of all money spent. Figure average daily costs.
- J. Select some good books to read. Discuss.
- K. Read and discuss the local newspaper. Compare and contrast local problems, programming, etc., with Janesville.
- L. Discuss with teachers, in advance, the possibility of a comprehensive written and/or report for presentation upon return to school.
- M. Send letters and postcards to friends.
- N. Do advanced research on places to visit.
- O. Use flash cards for math facts and word recognition skills.
- P. Investigate travel games in local stores. Take along favorite family games.

In conclusion, if parents do some careful planning, they can provide many meaningful learning experiences which can help to offset what students will miss in the classroom. We hope these suggestions will be helpful.

Animals on School Grounds

Janesville city ordinance forbids dogs, cats, horses, or other animals from being on playgrounds or school grounds at any time. Please keep your pet at home or in the car when you pick up or drop off your child.

The use of animals in the classroom is an integral part of the life science curriculum. We must ensure the safety and well being of the students, staff, and the animal. Persons bringing animals into the school must receive permission from the building principal.

Warm/Cold Weather Apparel:

Clothing or appearance should not be a distraction in the classroom, be embarrassing to others, or cause a safety concern. Crop tops, spaghetti strap tops with bra straps showing, halter tops and short shorts are not allowed. No midriff should be showing. Boys should wear a T-shirt under any sleeveless basketball type uniform shirt or oversized sleeveless shirt. Students with inappropriate clothing will be referred to the office. They will be allowed to change or to contact parents/guardians to bring appropriate clothing. Students will remain in the office until proper clothing is available. Our main concern here is education in an environment conducive to that business. Thank you for your cooperation with this matter.

Likewise, it is important that parents check each morning to make sure children are appropriately dressed for cold and damp weather. We do allow students to come inside the building at 8:05 a.m. when it is raining and when the temperature or wind chill reaches 0° F and below.

Younger students (K-2) must have snowpants and boots on in order to go into the snow. Older students should have boots or they will need to stay on the blacktop. If their slacks get wet they will not be allowed to call home for another pair.

KENNEDY ELEMENTARY SCHOOL
SCHOOL SUPPLY LISTS FOR ALL GRADES FOR THE 2017-2018 SCHOOL YEAR
PLEASE HAVE ALL SUPPLIES AT SCHOOL THE FIRST DAY. THANKS!

Specific brands listed are preferred but not required.
